

Preventing Fraud in Medicare Health & Drug Plans

Who to call if you
have a concern:

1-800-MEDICARE:
(1-800-633-4227)

TTY:

I got an unwanted email without an "opt-out" function.

The plan's giving free meals at a marketing event.

A representative tried to talk with me about their plan in the hospital patient room.

A plan representative visited my home uninvited and encouraged me to enroll.

A plan's offering cash if I join.

I'm getting calls and texts from a plan without my permission, and I'm not a member.
